

## 4<sup>th</sup> & 5<sup>th</sup> Graders Club

Catamount is a family owned and operated winter sports recreational mountain. Catamount was built and has been based for 70+ years on providing an environment for fun and well-being for the entire family. Catamount has long been aware of the sociological, mental and physical health benefits of winter outdoor sports (skiing, snowboarding, etc.) for all who participate. Continuing in this tradition, we want to encourage the youth and future generations away from sedentary activities such as television and computers and out of the house into the great outdoors especially during the winter. We also want to make it easier for the whole family to enjoy our mountain and what it has to offer -

So we created the “4<sup>th</sup> & 5<sup>th</sup> Graders Club” card.
